

CEO - EMPAD Architecture + Design

As CEO and co-founder of EMPAD Architecture and Design in 2003, Elizabeth brings 25 years of experience in the building construction industry through commercial real estate development, real estate brokerage, and planning and construction.

Leading the marketing and administration sectors of the company, Elizabeth is responsible for business procurement, contract negotiations. Her leadership as CEO enables EMPAD to be certified as a WOSB Women Owned Small Business which offers proposal incentives for large scale government projects and collaboration.

Elizabeth's long term connections in the Tampa Bay community make her ideal for her role over EMPAD's marketing division as she maintains affiliation with local chapters of SAME, BOMA, ICSC and IFMA to name a few.
